Reports:

24/26/01: I.W.C Ward Cllr: Cllr Adams reported that the Isle of Wight Council will be debating whether to increase the rate of Council Tax charged on second

homes - he invited the Parish Council members to share their thoughts on this with him.

24/26/02: N&SCP: Cllr Hardie reported that the Partnership's AGM had been held on the 10th February at the Northbank Hotel. The Chair of the partnership 'Wilma Barraclough' had completed her term as Chair and has been replaced by Bill Brown. The Council will write to the outgoing Chair and thank them for their service.

24/26/07: Seaview Football Club: Cllr Colledge expressed the Club's thanks to the Pavilion Trust members for returning hot water to the pavilion but sadly the poor weather had resulted in several matches being cancelled due to the condition of the pitch.

24/26/08: Others:N/A

24/27

IWALC:

The Clerk explained that the annual invitation to renew IWALC (Isle of Wight Association of Local Councils) membership had been received.

Resolved:

The members agreed to maintain the annual membership to IWALC at a cost of £823.33.

24/28

PIER ROAD BOAT PARK:

The members considered whether there was a need to increase permit fees for the 2024/25 season. Fees are currently £120 for an annual membership, £90 for a seasonal membership and £55 for a Kayak/SUP annual permit. A survey will be sent out with this year's renewal letters which will ask the permit holders whether they would welcome a water supply at the park. The survey will also ascertain whether they would be agreeable to a fee increase to help cover the cost of the installation and future water bills.

Resolved:

The members resolved to keep fees at the existing rate.

24/29

DRAFT ISLAND PLANNING STRATEGY:

The Isle of Wight Council has delayed publishing the draft IPS and at the moment no date has been set for publication so this item (to consider engaging professional help to analyse the IPS) will be brought back at a future meeting.

24/30

23/01970/HOU:

It was noted that application 23/01970/HOU (Lincoln Lodge) had been approved and part of the application refers to the use of composite cladding, which the Council feels is out of keeping in Springvale Road – a previous application had been refused and noted the jarring nature of the cladding in that particular area. The Council believes that there has been a misunderstanding by the Planning Officer with regards to the location of the property. Cllr Redpath had drafted a letter explaining this. The members noted that the Neighbourhood Plan that is currently being drafted will feature a policy for that area that will recommend against using composite cladding.

Resolved:

The members resolved to send a letter to the IWC challenging the approval of this application by the 22nd February 2024 (within the six week window to trigger a Judicial Review).

24/31

NEIGHBOURHOOD PLAN:

The Clerk confirmed that the Local Green Space consultation was live online (and will remain so until 29th February). Three large banners have been placed in the Parish to advertise the consultation (at Sophie Watson's Garden, Nettlestone Green and Kerry Fields Play Area). The Steering Group is currently analysing the draft of the design guide from Aecom and contemplating the dates and methods for carrying out the next 'emerging ideas' consultation.

24/32

ASB GRANT FUND:

Cllr Adams shared the details of a grant fund (provided by the H&IOW Police and Crime Commissioner) intended for tackling anti-social behaviour. Applications must be in at the beginning of March and the organisation applying for the grant should demonstrate a history of engagement with their CSP (community Safety Partnership). The Clerk will forward the details to a representative of the 'Friends of Hersey Nature Reserve' for their consideration.

24/33

FREEDOM OF THE PARISH POLICY:

Examples of policies for 'Freedom of the Parish' awards had been distributed to members – including a draft policy for the Council. Members will review the documents and consider adopting the draft policy at the next meeting.

24/34

NOMINATE CANDIDATES FOR FREEDOM OF THE PARISH:

Two residents were nominated to be awarded the Freedom of The Parish and it was unanimously resolved to grant them the award. A scroll will be purchased and presented publicly at a date to be determined.

24/35

24/35/03: To receive an income/expenditure report up to 31.01.2024:

The summary report was noted and there were no questions.

24/36

COUNCILLOR REPORTS:

Cllr Hardie reported that a local beach clean had been organised by Surfers Against Sewage and was well supported. Cllr Hardie also reported that the handrails on the steps by Bluett Avenue are loose – the Clerk has reported these. Cllr Marlton enquired whether the noticeboard at the former Vic’s Store will move across the road to new site and Cllr Hadfield was able to confirm that it would move across. Cllr Colledge asked that a letter of congratulations was sent to the team of rowers (sponsored by Mermaid Gin) who had completed their transatlantic crossing for charity. Cllr Hadfield reported that an extensive amount of the repair work required by the Seaview Yacht Club had been caused by gribble worms. Cllr Redpath reported that the noticeboard by the Old Post Office in Nettlestone is unreadable due to the glass being obscured on the inside. Cllr Redpath also reported that she had noticed the bus shelter opposite Vic’s Stores has the light on all night and the Clerk has asked Island Roads to investigate whether the light can be turned off out of service hours. Cllr Adams reported that after Island Roads rejected the option of putting a yellow box junction outside the McDonald’s drive through on the Brading Road, he had asked them for alternative solutions - Island Roads had responded to him to say that he should talk to McDonald’s, which is a repeat of the cycle experienced over the last four years.

There being no further business, the meeting was declared closed at 8.44 pm.

Nettlestone and Seaview Parish Council - Clerk's Report February 2024

- Kerry Fields Play Area – In line with an instruction from Island Roads, tree safety work has been carried out at Kerry Fields play area at a cost of £1050 + VAT .
- Seaside Awards – after further discussions with Keep Britain Tidy, the applications for seaside awards for Seagrove Bay and Springvale Beaches were submitted on time – we await the verdict.
- Save Westridge Farm – The £2000 donation was successfully transferred on the 25th January 2024.
- Roadside Inn ACV – An application to redesignate the Roadside Inn as an Asset of Community Value was submitted to the IWC. A legal officer replied to say that as far as the IWC are concerned the current ACV is valid and will stay in place until the 5th March 2025 – this is reflected on their website. The IWC suggested we sought legal advice if we had any concerns. We have taken legal advice from the NALC solicitor and they explained that the legislation was written without considering the effects that the purchasing a lease (of less than 25 years) would have on the status of an ACV designation so we should write to the IWC and ask that they add the new leaseholder's name to the designation record. This has been done and we await the IWC's response.
- Annual Parish Meeting – the Parish's new PCSO has been invited to attend the APM on the 1st May and we await their response.
